

## Plug-lid cans

If anyone CAN - we CAN!

# Plug-lid cans

## Tinplate cans with plug lids in numerous designs for different products

The benefits of plug-lid cans „made by Pirlo“ at a glance:

- Excellent residual emptying
- Also available varnished inside
- Cans may be equipped with a PP cap
- Round plug-lid cans are especially suited for all kinds of fillers, lubricating greases and many other pasty products

Please note the following: the plug-lid cans are not certified for hazardous goods. Our experts will be happy to answer any questions you may have in this respect. Special can sizes are possible on request.

### Legend

- = Standard (samples available)
- = Standard RID/ADR hazardous goods certificates
- ▲ = Standard UN hazardous goods certificates (hazardous goods packaging, send samples for UN hazardous items without certificates)
- △ = Special sizes, samples and minimum quantities on request
- (grey) = Stock items (grey) also in smaller quantities available
