

Open-top cans

If anyone CAN - we CAN!

Open-top cans

Optimal protection of the product from environmental influences

The benefits of open-top cans „made by Pirlo“ at a glance:

- Impermeable to air and light
- Various lids (aluminum lid, foil or steel tear-off lid) for standard sizes in various volumes
- Plastic lids in different colours available
- Also available varnished inside
- Sealing machine required

Our experts will be happy to help you with any questions you may have pertaining to open-top cans. Special can sizes are possible on request.

Legend

- = Standard (samples available)
- = Special sizes, samples and minimum quantities on request
- = Stock items (grey) also in smaller quantities available
